

# THIS IS NOT AN ELECTION LEAFLET

(no really)

There are two simple things **you**  
can do make the upcoming  
election cleaner.

---

**1** Become a Democracy Club volunteer for your constituency. Complete small online tasks to find out what candidates believe.

**Visit [democracyclub.org.uk](https://democracyclub.org.uk)**

**2** Save the election leaflets you get through the door, photograph them and send them to **[TheStraightChoice.org](https://TheStraightChoice.org)**

This leaflet was printed and delivered by one of your neighbours. Democracy Club and The Straight Choice are non-partisan volunteer run projects aiming to make the election more transparent.
